UNFUNDED MANDATES/Parliamentary Tactics

SUBJECT: Unfunded Mandate Reform Act of 1995 . . . S. 1. Dole motion to table the committee amendment beginning on page 27, line 9.

ACTION: MOTION TO TABLE AGREED TO, 55-44

SYNOPSIS: Pertinent votes on this legislation include Nos. 15-33, 35-41, 43-45, and 47-61.

As reported by the Governmental Affairs Committee and the Budget Committee, S. 1, the Unfunded Mandate Reform Act of 1995, will create 2 majority (51-vote) points of order in the Senate. The first will lie against the consideration of a bill or joint resolution reported by an authorizing committee if it contains mandates and if Congressional Budget Office (CBO) cost estimates on those mandates are unavailable. The second point of order will lie against the consideration of a bill, joint resolution, motion, amendment, or conference report that will cause the total cost of unfunded intergovernmental mandates in the legislation to exceed \$50 million.

The committee amendment beginning on page 27, line 9, would give the Committee on Government Reform in the House the authority to determine for matters before the House whether those matters contain mandates covered by this Act, and would require the House to determine the levels of Federal mandates for a fiscal year based on estimates made by the House Budget Committee.

Senator Dole moved to table the committee amendment immediately upon its becoming the pending question. The motion to table is not debatable.
